Job description

We are looking to appoint a Science Technician to join our team. If you are flexible, selfmotivated and a real team player looking for a role that is busy, varied and interesting, we would like to hear from you. Ideally the postholder would have good science knowledge or experience in a similar role. Ability to make basic science equipment or repair components would be an advantage but not essential as training can be provided. Closing date midday Wednesday 23rd May 2018.
