Job description

This is an exciting opportunity to work in our growing Academy and to play an important part in its development. We are looking for a dedicated and enthusiastic Science Technician responsible for assisting in the day-to-day support of the learning environment of the Academy, monitoring standards and practices within the labs and providing technical and learning assistance in the classroom. In particular, the Science Technician will ensure that high standards of Health and Safety are maintained at all times, assisting with inventory of equipment and liaising with equipment providers to ensure good quality provision.
