Job description

Working term-time + 2 weeks.
We are looking to recruit an enthusiastic Junior Science Technician to work in our modern and friendly Science department. The successful candidate will work under the direction of the Senior Science Technician, to support the delivery of high quality teaching and learning and provide technical assistance.
The Junior Science Technician would be expected to support the organisation, delivery and development of technical services to the Science Faculty in order to support the teaching of a range of science subjects.
