Job description

We are seeking to appoint a full-time suitably experienced Chemistry Technician to support the Chemistry Department. The roles involves supporting teaching and learning within our Science Faculty by management of the laboratories and prep room and through the monitoring, setting up of equipment and resources for daily teaching and examination practicals. The ideal candidates should be self-motivated and confident working unsupervised, technically skilled, have good attention to detail and be able to communicate effectively with pupils and staff, building positive working relationships.
