Job description

A vacancy has arisen for a Senior Science Technician (Chemistry) to offer technical support to our science staff, commencing May 2018.

We are looking to recruit an enthusiastic Senior Science Technician to join our team of experienced technicians to oversee practical Chemistry. We are a friendly and well qualified department with spacious facilities and high numbers taking science in the sixth form.

The successful person will have a suitable Chemistry qualification and practical experience of working in a laboratory, ideally in education. Training opportunities for CPD are available. The role is Term Time, plus two weeks during the school holiday periods.

RMS is an independent, day and boarding school with a supportive and nurturing ethos. The School provides an exceptionally favourable working environment, with keen students and stunning surroundings. RMS is one of the top performing schools nationally for Value Added at GCSE and A Level and we are proud to be an inclusive school where all girls are encouraged to fulfil their potential.

Potential candidates are strongly encouraged to visit the school website www.rmsforgirls.org.uk for more information about our thriving school, with its excellent value added results and inclusive community spirit that encourages both girls and staff to share a commitment to continued personal, professional and academic development.

We welcome a letter of application and a completed application form which can be downloaded from our website. Completed applications only and any enquiries should be addressed to Miss Tyler Lawton on 01923 725762 or tlawton@royalmasonic.herts.sch.uk
Please note CVs are not accepted.
